Connections

The Yorkville Area Chamber of Commerce participates in a number of City, community, and philanthropic activities.

A strong partnership with the United City of Yorkville, Yorkville School District, and state and county officials enables the Chamber to keep its membership informed of important issues affecting the region.

Leads Groups

Three industry-exclusive groups meet regularly to exchange leads & referrals and offer team support.

Chamber membership sends a clear statement that you are a part of, invested in, and support the local business community.

The Yorkville Chamber is highly active. We offer an abundance of programming tailored to serve the variable needs of businesses.

Yorkville Chamber member survey responses:

Q: What do you VALUE most about the Chamber, and why?

“The business contacts. Active chamber members tend to refer people to other active chamber members.”

“The strong tie to the community. I feel this Chamber works really hard to make a difference in the local people's business.”

“The connection it enables with the community. All of the networking opportunities are priceless.”
