

Leads Group Information

ABOUT YORKVILLE AREA CHAMBER OF COMMERCE LEADS GROUPS

Leads Groups meet regularly for the purpose of sharing leads and referrals. Participation in a Leads Group is a highly recommended way to grow your business. Maintaining industry exclusivity, only one member in a business class may join a group. Each participant must be a Chamber member. A firm may have a representative in only one group.

Leads Group dues are \$50 annually, renewing in January, and are prorated for a period of less than a year for new mid-year enrollments. (Contact the Chamber or a facilitator for pro-rated fee schedule.)

How to join a Leads Group:

- Review the list posted at www.yorkvillechamber.org. Look for a meeting time that suits your schedule and consider the complementary fit with other businesses within each group.
- **Contact the facilitator (listed below) to request an invitation to attend a meeting as a guest.** You may visit each group two times before deciding to join. The invitation to attend as a guest is open to non-Chamber members, as well.
- Once you have visited and chosen a group, complete and submit an application to the facilitator. The group will consider whether there are conflicts with competing industries, and your membership will be approved or declined by vote at the next meeting.
